**Christian Aid Week 14-20 May 2017.**

### **Being there for refugees since 1945**

Christian Aid Week began 60 years ago to support the work the churches Britain and Ireland were doing with refugees in Europe in the aftermath of the Second World War. Today, tens of millions of people across the globe are

fleeing their homes because of war, conflict and disaster, making dangerous journeys in search of safety, in the biggest displacement of people since that time. We know that the conflict that drives these crises is not what God intends for us that God's vision is a world where everyone has a safe place to call home. But until that day - while Christian Aid is needed - Christian Aid will be walking with refugees. Thank you to all those who have already committed as volunteer collectors over many years and still continue but there are still opportunities for those of you who have not yet volunteered! There are still some districts of the town we need volunteers to cover and if you know your own street did not receive Christian Aid envelopes last year, why not volunteer to do your street? Please prayerfully consider becoming involved and giving just a little of your time to be a collector for Christian Aid - you could help change someone's life.

Please contact - Ellen Walley 01968672014 -if you can get involved.
